

Laboratory for the Characterization of Molecular and Supramolecular Systems

- [NMR Spectroscopy Laboratory](#)
- [X-RAY Laboratory](#)
- [Elemental Analysis Laboratory](#)
- [AFM, FT-IR, I.M.S Laboratory](#)
- [Thermal Analysis of Polymers & Materials Laboratory](#)
- [MICRO - RAMAN Spectroscopy Laboratory](#)

[Laboratory for Isotopic Analysis, Radiocarbon Dating, and Radon Measurements](#)

[Laboratory for Environmental Analysis](#)

[Laboratory for Molecular Simulation & Thermodynamics of Fluids and Technologically Advanced Materials](#)
